**Please note ALL Day Riders need to be sponsored by a Registered Club Member**

If you intend to ride, please ring the convener during the week. If the weather is a concern please ring the night before. It is the riders responsibility to ring the convener to confirm the ride. Please check starting times, location of start, and any other relevant details.

**Do not bring your dog or you will be asked to leave**

We encourage riders to be independent on trail rides. Please carry your food, drinks and supplies with you.

On extended rides there may be a backup vehicle. Please ask the convener when you phone them during the week for more information.

The "Trail Boss" leads the ride. Please remain behind them unless you have asked permission to go ahead

The "Drag Boss" will remain at the back of all riders and ensure that no riders become separated from

the group. Please do not hesitate to ask for help if you are having trouble.
