## May 12 2019 Ride: Wondoba State Conservation Area by Courtney

Today we had an amazing Mothers' Day ride at the Wondoba State Forest beginning at the Archery Club.

There was roughly 20 riders that attended and we covered nearly 12kms. We also welcomed some new faces to the club. The weather was beautiful with not a breath of wind, the scenery a delight and the company even better.

We ventured through some thick scrub and into a heavily timbered area where we wove our way in and out of the trees and up and down some gullies. Having a few small rests, some small detours, a horse that took the opportunity to roll on the sandy track and some painful march flies it was a very successful day. Both my girls Isla & Marlee are already asking when the next ride will be on and if they could come along. There goes my child free days!!!!

Thanks to Greg for organizing this ride and we look forward to next months Trail Boss course and ride.
